Consumer Advisory: Eating raw or undercooked meat, poultry, eggs, or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women and other highly susceptible individuals with compromised immune systems. The cooking of such animal foods reduces the risk of illness.

Our reputation has grown by word-of-mouth not only for the delicious food we serve but also the consistently high-quality service we provide. We believe in the fundamental principles of Japanese culinary tradition. We use only the freshest seasonal ingredients to create food which is bold in its simplicity. Nothing is overcooked, there are only degrees of rawness. It is a way of preparation that respects what we eat and keeps it close to its natural essence. It is said that the sudden freshness of Japanese cuisine captures attention like a whisper in the midst of shouts. Simplicity, quality and artistry ideals which have kept us at the forefront of Japanese dining in y place.
